

Data Sheet and Operating Instructions

Models PD-1100, PD-1100-H, & PD-1200

Assembly & Installation

No Assembly Required

Features

Lighted power switch (Red); 120 VAC (PD-1100); 12 VDC (PD-1200); 5ft power cord; Chrome fan guards; Powerful, fast drying 100 CFM fan; 12" x 12" Footprint, large enough for most any helmet; Durable black powder coated finish; 1 year warranty.

Operation

PD-1100: Simply plug the unit into any standard 120 VAC wall outlet and actuate the red switch.

PD-1200: Connect to any 12-volt DC source being careful to observe proper polarity. Actuate the red power switch to start the fan. *Do not leave running any longer than necessary to conserve battery power.* Order with either 12 VDC Battery Terminal Clips or with 12 VDC Power Plug

Lighted switch indicates proper operation.

Maintenance

No maintenance required.

Warranty

RAC Products are warranted for one year from the date of purchase, against manufacturers defect.
